Thank you for considering the
Cornwall Lions
29th Annual Ed Clark Memorial Golf Outing

The Cornwall Lions financially support:

- childhood cancer research
- improving the sight and hearing needs of local children and adults
- childhood diabetes research and reduction
- food for the hungry
- improving humanitarian issues in our local and global communities

It is our biggest fundraiser, and last year, with your support, we contributed over **\$27,000** to these efforts.

Please help the Cornwall Lions continue to help those in need through your monetary or other donations.

Attached are a sponsorship form and a golfer registration form.

Thank you,
Cornwall Lions
